Dear Mr. Allred:

This is in reference to the request filed January 9, 2017, on behalf of Boise Community Radio Project, Inc. ("BCRP"). BCRP requests Special Temporary Authority (STA) for continued operation of KRBX at reduced power due to failure of a power module in the transmitter building.

The request for STA IS GRANTED. Station KBRX may continue to operate at reduced power, as needed. BCRP must notify the Commission when licensed operations resume. BCRP must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

**This authority expires on July 11, 2017.**

Sincerely,

Dale Bickel
